JOURNAL OF ISHIM

INSTRUCTIONS TO AUTHORS

1. Journal of the International Society for the History of Islamic Medicine (Journal of ISHIM), published twice-a-year, accepts material for publication as follows:
 - Original Articles: Papers reporting a research in the History of Islamic Medicine and Islamic Medical Ethics.
 - Letters to the Editor: Views on papers published in Journal of ISHIM, and other current topics and short reports of reader's own original findings. Letters should not exceed 400 words, 3 authors and 10 references.
2. Papers submitted to the journal are only accepted with the understanding that they are subjected to editorial revision and that they have not been or will not be submitted to any other journal. All authors are responsible for the scientific and ethical contents of their papers.
3. The journal's language is English.
4. The manuscript should be typewritten in an IBM compatible computer under Microsoft Word program. In addition to the form of the manuscript recorded into a disk/diskette, four copies of double spaced print-outs and figures and tables should be sent. The printed form should not be more than 12 pages.
5. The manuscript of a full paper should be arranged in the following order: Title page, abstract and key words, main text, acknowledgements, references, tables, figure legends and figures. All pages should be numbered consecutively.
6. TITLE PAGE: The title page should include a brief and descriptive title of the article the authors' names and academic degrees, hospital or academic affiliations, acknowledgements of grants and other support, and the name, address telephone/fax numbers and the e-mail address of the individual responsible for editorial correspondence.
7. ABSTRACTS and KEY WORDS: Each article should include brief English abstracts (not exceeding 200 words) stating the purpose(s) of the study, basic procedures, main findings, and the principle conclusions. Below the abstracts provide not more than 5 key words or short phrases.
8. MAIN TEXT: The main headings of the sections should be written in bold capital letters, and subheadings in bold italic lower case letters, except for initial letters.
9. REFERENCES should be numbered consecutively in the order in which they are first mentioned in the text and typed double-spaced. References used in the text should include the name of the first author followed by the other authors, title of the article, the year, the volume, the first and last page numbers. The names of the journals should be abbreviated according to the style used in the Index Medicus.

ARTICLES IN JOURNALS: Meutler B, Cerami C. Cachectin: More than a tumor necrosis factor. N Engl J Med 1987; 316:379-85.

CHAPTERS IN BOOKS: Arieff AI. Neurological manifestations of uremia. In: Brenner BM, Rector FC, eds. The Kidney: Philadelphia: WB Saunders, 1986:1731-56.
10. FIGURES and TABLES should be identified by arabic numerals (in parenthesis). The drawings should be submitted in original drawings by ink. The photographs should be printed in good contrast and be submitted unmounted. The letters and signs on all figures should be large enough to be legible after reduction.
11. Authors whose papers accepted for publication in the journal are encouraged to become subscribers.
12. Manuscripts should be sent to the editors in chief:
